Some comments made by the European jury members

First Impression	<ul style="list-style-type: none">• Thick tail of Sea Bream, tender flesh with a nice fresh taste.• Great quality, nice organoleptic qualities, opulent mouth, delicate and convincing taste.• A very high standard for a bred fish. Dazzling qualities.
Vision	<ul style="list-style-type: none">• Just beautiful.• Pearl white flesh that has a lot of appeal.• Bright and inspiring.
Olfaction	<ul style="list-style-type: none">• A very small smell as you would expect from a fresh fish.• Odour from the sea.• Delicate.
Texture	<ul style="list-style-type: none">• Refined and well balanced texture.• Firm, juicy and smooth.• A texture is a plus during the tasting.
Taste	<ul style="list-style-type: none">• Very well mastered product reflecting careful attention.• Fish holds the cooking beautifully and delivers a genuine Sea Bream flavour.• Very nice fresh tasting fish flesh. Long lasting taste.
